Renter agrees to notify Huron S.W.C.D. when field conditions will be ready to operate, preferably 48 hours before needing the Strip Tiller, if possible. For weekend use, you will need to call on Thursday morning to help facilitate getting it in place for the weekend. ***You must be ready to use Strip Tiller when it arrives, regardless of other farm operations going on.*** Other producers are usually waiting to use the equipment, so we need to cover as many acres as possible per season.

Equipment is generally scheduled for use in the order that we are notified that conditions are fit. However, adjustments are sometimes made due to changing field conditions and efficient routing.

- **Make sure bearings are free and baskets are cleaned or \$100.00 cleanout fee will be billed.**
- Renter agrees to immediately notify the District of any needed repairs to the equipment.
- Renter agrees to assume responsibility for damage resulting from misuse or carelessness.
- Renter agrees to pay balance due within 30 days of receiving an invoice and understands that a 2% monthly service charge will be added to the unpaid balance after 30 days.(24% per annum)
- After 6 months, unpaid balances will be turned over to the prosecutor for collection.
- Renter has a valid drivers license and liability insurance.
